

CHORAL: SELECTION NOTICE FOR VARIOUS PROFESSIONAL ROLES
CHORAL Project (Cod. C1-3.1-10)
Cultural Heritage fOR AIL
C.U.P. G79I24001940007

Le Vie dei Tesori Foundation is a partner of the EU-funded project “**Cultural Heritage fOR AIL: CHORAL**”.

The CHORAL project aims to improve green and digital accessibility to cultural heritage sites in Malta and Palermo. The goal is to enhance accessibility for both tourists and residents, developing a joint strategy and installing orientation totems to encourage more sustainable mobility. The project also plans the digitisation of less accessible sites, experimenting with tools in both regions. CHORAL promotes knowledge transfer, creates sustainable frameworks for digitisation, and enhances cultural heritage through increased access and value.

The partnership brings together an interdisciplinary team with diverse expertise, capable of effectively achieving project results and obtaining a significant impact. The project addresses the broader issues related to tourist accessibility to cultural heritage sites, identifying gaps in physical accessibility, experimenting with simple and low-cost infrastructures to encourage sustainable tourism, and developing a joint strategy to improve accessibility for all. Throughout the process, the project also selects hard-to-access sites to be digitised, thus extending the concept of accessibility and encouraging greater tourist engagement with cultural heritage and cultural venues.

The duration of the project is 24 months (start date: **02/01/2025** – end date: **02/01/2027**).
